

GRANT GLOMSTEAD

7050 Hatchery Rd, Waterford MI, 48327 gglomstead@comcast.net (248)-410-9059

Objective

As a student graduating with a master's degree in engineering technology at Wayne State University, I plan on obtaining an interesting job in the Audio/Visual/Broadcast engineering field that will jump-start a long, successful career. Along with years of experience in the IT field, and a degree focusing on media and technology from Michigan State, I plan to use my wide array of skills to succeed in the AV industry.

Education

Wayne State University

42 W Warren Ave, Detroit, MI 48202

Attending as of Spring 2019.

Pursuing a master's in engineering technology.

Michigan State University

East Lansing, Michigan 48824

Graduated in the summer of 2017.

Major: B.S. in Media and Information.

Minor: Information and Technology.
